

Password Reset Guide

If you have forgotten your password or are unable to access your account, you can reset your password using the self-service recovery process.

Reset Steps

1. Navigate to the login page.
2. Click the "Forgot Password" link.
3. Enter your registered email address.
4. Check your inbox for a password reset email.
5. Click the reset link within the email.
6. Create a new password that meets security requirements.
7. Log in using your updated credentials.

Password Requirements

- Minimum 8 characters
- At least one uppercase letter
- At least one lowercase letter
- At least one number
- At least one special character

Troubleshooting

If you do not receive the reset email:

- Verify the email address entered is correct.
- Check spam and junk folders.
- Wait up to 10 minutes for delivery.
- Ensure your mailbox is not full.

If the reset link has expired, request a new password reset email.

For security reasons, password reset links expire after 30 minutes.
